Witches come from all walks of life and spiritual beliefs. No matter what your path may be, this almanac has all the goodies you are looking for. The focus of this year's almanac is exploring new ideas to forge your own unique path. Special planner pages, worksheets, and articles are included to help you achieve your goals, discover your hidden talents, and explore the awe-inspiring beauty of nature. The projects, articles, and ideas will motivate you to hone your witchy skills no matter your current level of expertise, including divination (tarot, runes, pendulum), herbalism & wortcunning, and

using nature's gifts of stones, crystals, and minerals. It can also be used as a companion study guide to the traditional "year and a day" of study prior to initiation or solitary dedication. And as always, it contains astrological and astronomical information, moon phases, trivia, recipes, Sabbats, historical tidbits, and everything you need to get you in touch with the Practical Witch within you.

To be more inclusive for the 2020 almanac, significant improvements have been made to make time conversions easier with a larger and more defined time zone map, and charts with actual city time conversions worldwide (Australia, New Zealand, Ireland, China, Russia, Greece, and dozens more).

I didn't know how much I needed this book until I saw it. Really. Friday Gladheart's Practical Witch's Almanac is beautifully written and provides exactly the information we need to do what we do. Love the Notes sections as well! I hope she continues to these every year!

#### 5 Stars from Karrie Russel

*"Last week while at our local coop I spotted this almanac and immediately placed it in my basket. I decided even though I already had purchased a date book to organize my life, this one was only going to be used to record my dreams for the year. I've been reading it with care and it's full of esoteric writings, beautiful recipes for healing and so much more.*

*This book is so enchanting and brings back those amazing memories of my first encounter with what is now my home.*

*If you've never owned a wiccan almanac, I highly recommend."*
